

IN THE CLAIMS

Claim 1 (currently amended): A beach chair comprising two frames **each with an armrest**, a support located between and pivotally connected with the frames for supporting a user, **[[and]]** a hydraulic cylinder connected between one of the frames and the support, **and two brackets each for connecting corresponding one of the armrests with the support, wherein each of the frames includes an axle installed on the armrest, and each of the brackets includes a collar installed on corresponding one of the axles.**

Claim 2 (original): The beach chair according to claim 1 wherein the hydraulic cylinder includes a lever movable from a first position where the hydraulic cylinder cannot be extended and shrunk and a second position where the hydraulic cylinder can be extended and shrunk.

Claims 3 and 4 (canceled).

Claim 5 (currently amended): The beach chair according to claim **[[4]] 1** wherein each of the brackets includes two rods connected between the collar and the support.

Claim 6 (original): The beach chair according to claim 5 wherein each of the brackets includes a reinforcement plate connected between the rods.

Claim 7 (original): The beach chair according to claim 1 wherein the support includes an upper portion formed as a backrest, a middle portion formed as a seat and a lower portion formed as a stool.

Claims 8 and 9 (canceled).

Claim 10 (currently amended): The beach chair according to claim **[[9]] 7** wherein each of the brackets includes a rod connected between the collar and the backrest and another rod connected between the collar and the seat.

Claim 11 (original): The beach chair according to claim 10 wherein each of the brackets includes a reinforcement plate connected between the rods.

Claim 12 (currently amended): The beach chair according to claim 7 wherein each of the frames **further** includes a rear leg **[[,]]** **and** a front leg, **with the and-an** armrest connected with both of the front and rear legs.

Claims 13 and 14 (canceled).

Claim 15 (currently amended): The beach chair according to claim **[[14]] 12** wherein each of the brackets includes a rod connected between the collar and the backrest and another rod connected between the collar and the seat.

Claim 16 (currently amended): The beach chair according to claim **[[14]] 12** wherein each of the brackets includes a reinforcement plate connected between the rods.

Serial No. 10/755,549

Claim 17 (original): The beach chair according to claim 12 wherein each of the frames includes a rod connected between the front and rear legs.

Claim 18 (original): The beach chair according to claim 12 including a rod connected between the rear legs of the frames.
